Amazing Puzzle Mazes (Dover Children's Activity Books)

Synopsis

Find the bridges between islands, follow a trail with no left turns, guide a pinball against a series of bumpers and don't break any of the rules! This colorful compilation features over 100 original puzzle mazes of 18 different types by maze expert Dave Phillips. Each puzzle maze cites particular stipulations that make its solution far more challenging than that of any ordinary maze. Geared toward puzzlists ages 12 and up, the mazes are grouped by type and include clues and solutions.
