The Storybook Of Legends

Synopsis

At Ever After High, an enchanting boarding school, the children of fairytale legends prepare themselves to fulfill their destinies as the next generation of Snow Whites, Prince Charmings and Evil Queens...whether they want to or not. Each year on Legacy Day, students sign the Storybook of Legends to seal their scripted fates. For generations, the Village of Book End has whispered that refusing to sign means The End-both for a story and for a life. As the daughter of the Evil Queen, Raven Queen's destiny is to follow in her mother's wicked footsteps, but evil is so not Raven's style. She's starting to wonder, what if she rewrote her own story? The royal Apple White, daughter of the Fairest of Them All, has a happy ever after planned for herself, but it depends upon Raven feeding her a poison apple in their future. What if Raven doesn't sign the Storybook of Legends? It could mean a happily never after for them both.

Book Information

Series: Ever After High (Book 1)

Hardcover: 320 pages

Publisher: Little, Brown Books for Young Readers; 9.8.2013 edition (October 8, 2013)

Customer Reviews

Okay, now before I start, let me say, I have read all of Shannon Hale's other YA books and Goose Girl and Rapunzel's Revenge will always hold a special place in my heart. Admitting that, along with the fact I am a major Ever After High fan, I will now commence with my review. The book is centered around Apple White and Raven Queen, two students in Ever After High. For those of you not familiar with Ever After High, it is a high school where the sons and daughters of fairy tale characters go. On their second year, every student must pledge to follow in their parent's footsteps. If a student doesn't take the pledge, then the story they are in and they themselves will cease to

exist. Apple White is the perfect future queen, caring, smart, beautiful and kind. Her only perceivable flaw is the fact she is blonde (so the book says, multiple times). She is ready to take on her destiny as queen. Raven, on the other hand, is the daughter of the evil queen. All her life, people have been telling her to be evil, and expected her to be a horrible person. Raven wants to be able to change her fate. Raven and Apple are going into their second year at Ever After High, the year when they take the pledge. They are rooming together, and are very different people. Raven wants to choose her own fate, and Apple is trying to make sure that Raven stays on her path, so that the story will continue to exist and her own story will end happily ever after. The relationship between them is very Wicked Galinda-Elphaba. Neither really understands the other at first, but they gradually become friends, despite the fact that Raven will someday have to poison Apple. Awkward much?! I really didn't like Apple. Although she is just a pawn, she is very self-centered.

<http://www.youtube.com/watch?v=l1JcWRqBq9cl> first found this book by watching the webisodes that Autumn @ Kitty Cat Reads recommended me to watch. These are absolutely adorable and are created by the same people that created Monster High! It is just too much cute to handle and I knew I just needed more story and I was completely satisfied with the first book in the series of Ever After High, The Storybook of Legends by Shannon Hale! The stories of Ever After High revolve around the lives of fairy tale characters' children. The main characters are Apple White, daughter of Snow White and Raven Queen, daughter of the Evil Queen. The children of fairy tale characters head off to Ever After High to learn how to prepare to follow in the footsteps of their parents. This was an absolutely adorable middle grade fantasy (fairy tale retelling). The characters were so dynamic and entertaining. All with their own quirks and similarities with their parents. The language used was fantastic and really gave a youthful vibe that fit perfectly in the world, which was absolutely excellent! There was adventure and drama and some great messages about being yourself, accepting who you are and making your own decisions to follow your own path! I was able to finish this in one day and just could not put it down. I got so engrossed in the world and fell absolutely in love with all the characters! It is a fast paced enjoyable read that had me laughing and wanting more. I immediately picked up the second book in the series because I just could not get enough of this world and characters! Overall if you are looking for a fast, highly enjoyable and super adorable (and precious and cute all all other words that convey the deep love I had for this book!
