New York City SHSAT: 1,000+ Practice Problems

Synopsis

Each year, tens of thousands of students take NYC's Specialized High Schools Admissions Test (SHSAT), one of the most competitive and challenging high school entrance exams in the country. Many of these students often spend a year or more preparing for the SHSAT, since extra practice can improve a student's scaled scores and lead to placement in top-choice schools. Unfortunately, many students run out of high quality practice materials. With New York City SHSAT: 1,000+ Practice Problems, there's no shortage of high-quality practice questions. This book contains more questions than even 10 full-length exams! In this book you will find:

- 1,000+ high-quality practice questions in print - no need to go online or watch videos! Everything you need is right here in the book!
- 80 pages of detailed answer explanations for every question, including helpful hints and suggestions, to help you make sense of advanced material.
- A diagnostic test highlights areas for improvement and helps you make the most of your time.
- Separate, dedicated sections each for Scrambled Paragraphs, Logical Reasoning, Reading, and Mathematics build confidence through understanding.
- Questions that progress in difficulty help you quickly master the basics and score extra points on even the toughest questions.
- A practice test ties everything together and simulates a real test-taking experience. Great for independent study or for use with a tutor!

Customer Reviews

I've been buying these books all summer. This is the last book I'm buying before the real test. It seems great. More than enough practice, two practice tests.
