# Dotto And The Minotaur's Maze

## Synopsis

Dotto, the hero of Abrams' Dotto and the Pharaoh's Mask, is back in a new time-traveling adventure to the ancient world. Armed with their Re-Particalizer (disguised as an ordinary pencil), children will connect the dots and find their way through challenges, traps, and tricks in this exciting activity book. Their goal: to help Dotto capture the legendary Minotaur and rescue Princess Ariadne from the clutches of the super-villain Evil Eraser.-- Ideal for children ages 8 and up.-- Colorful double-page illustrations throughout.-- Artifacts, myths, and characters of ancient Greece are fully explained.-- The "choose-your-own-adventure" setup of the game means children can play again and again.

## Customer Reviews

A fantastic premise and well-designed puzzles hold the interest of a wide range of age groups while educating and fine-tuning motor skills. Very elaborate puzzles -- be warned that dots and numbers are tiny, so kids with vision or coordination problems may be easily frustrated with this series.
