ACT Premier 2016-2017 With 8 Practice Tests: Online + DVD + Book (Kaplan Test Prep)

Synopsis

Kaplan Test Prep is the Official Partner for Live, Online Prep for the ACT. For more information visit kaptest.com/onlinepreplive Kaplan's comprehensive ACT program provides proven test-taking strategies, realistic practice tests, in-depth guided practice, video tutorials, and access to an online center so that you can score higher on the ACT "guaranteed. College becomes more competitive and costly each year, making a high score on the ACT essential. A high ACT score sets you apart from the competition and opens up scholarship opportunities. Kaplan understands how important it is for you to do well on the ACT and make your college dreams a reality. In fact, we help more than 95% of our students get into their top-choice school every year, and we want to help you! ACT Premier 2016-2017 is an unique resource that covers every concept on the test, and provides you with the additional practice you need both in the book and online. This comprehensive study guide includes:

- * Realistic Practice: eight full-length practice tests with detailed answer explanations: 3 in the book, 5 online
- * Online Center: online practice tests, quizzes, and videos to help guide your study.
- * SmartPoints: a Kaplan-exclusive strategy that identifies the most popular topics and question types on the exam, allowing you to focus your time appropriately and earn the most points on Test Day.
- * Scoring and Analysis for 1 Official ACT Test.
- * Perfect Score Tips: advice and strategies from students who got a perfect score and top ACT instructors.
- * Video Tutorials: Kaplan's best tutors review the most important concepts in short video tutorials. When you study with ACT Premier 2016-2017, you will score higher on Test Day "guaranteed.

Book Information

Customer Reviews

I am a Harvard grad and SAT perfect scorer who has been tutoring the ACT for nearly 20 years. There are plenty of ACT strategy guides out there, and Kaplan's is not the worst, but it's definitely not the best, either. When preparing for the ACT, the very first place you should start is with the Real ACT Prep Guide. Despite its flaws, it's the only source of official ACT questions you can buy at retail (you can also download 4 additional free ACT online—see below). The Real ACT Prep Guide (Book + Bonus Online Content), (Reprint) (Official Act Prep Guide) As a general rule, try to practice on real ACT questions whenever possible. There is also a new edition available for pre-order, with 3 updated tests: The Official ACT Prep Guide, 2016 - 2017. Secondly, although it does help to have a strategy supplement for the ACT, the Kaplan book is far from my first choice. Instead I prefer the Barron's book: Barron's ACT, 2nd Edition (Barron's Act (Book Only)). This Book vs.

Our family now owns and have skimmed, read fully or used three different brands of ACT prep books. When looking for an ACT prep book the first choice is what brand to choose, the second is which one of the multiple that Kaplan publishes for the same test year do you want. Kaplan does a lot of updates so be careful to buy the correct year. It is not easy to tell the difference from the content of one to the other, for example I do not understand what makes the Kaplan ACT 2016-2017 books different than the Kaplan ACT 2016 books. So, for 2016-2016 Kaplan has published two offerings. This one, "Premier" is the more expensive of the two, being about 110% higher of MSRP. But the price of these books is nothing compared to the test prep classes that some companies offer. This Premier product offers: 8 total practice tests (5 online and 3 in the book). It has full explanation of the answers for ONE test. It has a DVD and written strategies in the book. The less expensive 2016-2017 book has 6 tests and no DVD. Premier is almost three inches thick which can seem overwhelming. Kaplan has tried to help by offering a quick start guide which is the first page you see when you open the book's cover. You register the book online, and they recommend you use the online diagnostic test to help you find areas of strength and weakness. The book explains what the ACT test is like and gives ideas of how to best prep. There are live online sessions which you can register for one month before your test date. They recommend you watch the online lessons on the website. They recommend taking an online practice test to be followed up by using the hard copy book for practice and to learn more strategies.
