Customer Reviews

This is really a very useful book, for Storytellers only, which gives loads of details for running the evil Pentex(boo), the evil Black Spiral Dancers(BIGGER boo!!) and details of the Wyrms themselves in their many faces. Providing plenty of twisted nasties to give your players a run for their money, crossover material for Vampire, and information on the Spiral's society, your players will groan with fear when they see you flick through this...

I am very happy with my product. It came in a timely manner and it is in wonderful condition. Just as if it were brand spankin' new.

Probably one of the most awesome supplements that I have purchased. This one is full of scrumptious info about the most evil baddies in the known World of Darkness. The section on PENTEX has to be my favorite. This book Rocks

Yes it did meet all expectations and more.
