LBB 3: Scout (Traveller (Numbered))

Synopsis

The Little Black Books return! Harking back to the original release of Traveller in the 70's, the Little Black Books from Mongoose bring the latest version of Traveller to your gaming table in a handy and collectible size. Scout is a detailed expansion for the Traveller game, and continues the line of core books expanding the main rules to give you more options, and depth of play. This book is dedicated to Scout characters, providing them with new career options, equipment, and detailed exploration rules. Characters will be able to scan planets and asteroids to gain a wealth of detail about their surroundings, survive in the harshest environments, and explore mysterious worlds in the furthest depths of space - literally going where no one has been before!

Customer Reviews

A nice compilation of Scout subclasses. Scout was always my favorite class. I like the idea of exploring new and exotic places. Keep in mind that "LBB" stands for "Little Black Book" and they mean it. Don't let the size fool you, this supplement is chock full of Traveller goodness.
