Ok, I was supposed to give this to my Goddaughter as a gift(she is 20, not my little angel anymore!).

Her Aunt and I, however, were red in the face after reading all of the pictures! I hate to say this because my Goddaughter's favorite animal is a panda-but I had to keep it! I ended up buying her something else...I just couldn't let go of this little gem! Absolutely recommendable.

With all the 'panda-monium' going on the interwebs at the moment, it's great to be able to sit back with my coloring implements and get calm, centered, and focused by my Sweary Pandas. Love this book! :)

This book is absolutely adorable! It relieves stress and allows me to color out my frustration! Who doesn't love swearing and pandas?!?

This was ok bought many adult coloring book very childish drawings with a few swear words here n there
