NBA Basketball Offense Basics

Synopsis

Practice with Michael Jordan and Hakeem Olajuwon. Attend a coaching clinic led by Lenny Wilkins, Larry Brown, and George Karl. The great players and coaches of the NBA speak out on basketball fundamentals -- just for kids. Watch the stars in action with dozens of hard-driving, slam-dunking, coast-to-coast scoring photos, then listen as they explain what you have to do to master the skills to be a star. Learn how to pass from studying the secrets of best-ever Magic Johnson and Isiah Thomas; shooting from Paul Westphal; and rebounding from record-setter Jerry Sloan. Run successful offensive plays, with diagrams straight off NBA coaches' clipboards, and -- most important -- with photos featuring kids demonstrating every step.

Customer Reviews

I love this book because you don't just read it once. The first thing I did was look at all the pictures. Next, I read the introduction. Then, I read the teamwork section. Then, I read the conclusion. Then, I tried some of the drills. Then, I showed the plays to my coach. And I still use this book, it's not just sitting on my bookshelf. This book will last you a long time, and is well worth the money. It's great for ANY basketball player, and it's even more ideal if the basketball player is an NBA fan.
