Under The Bridge

Synopsis

Tate's younger brother Indy is probably the best skateboarder in Spokane. He's also really smart though he couldn't care less about school. But when Indy clashes with his father one too many times and drops out of school, it's up to Tate to win his brother back from the seedier elements of Spokane. Can Tate convince Indy to come home, finish his high school degree, and return to skating under the bridge with their crew? Michael Harmon's fast-paced and highly charged book captures the enduring bond between brothers and their struggle for survival on the gritty streets of Spokane.

Drugs & Alcohol Abuse #468 in Books > Teens > Mysteries & Thrillers > Law & Crime #517

in Books > Teens > Literature & Fiction > Sports

Customer Reviews

Michael Harmon's books are targeted for the mid-level teen, judging from his writing. I'm nearly an adult, and despite the simple language, I really enjoy his books. He has interesting plots and I like his characters. This is my second favorite Harmon book, because Tate and Indy and co. are some of the best characters Harmon has come up with. I really liked each guy for their characteristics. The story was good too. I found myself caring for the guys and reading way past my preferred sleep time. The pace is quick and you don't have to worry about losing interest in the plot. A quick and fun read.

Ok this is a great book but there are a lot of characters. I have only read half the book so far and I can't put it down. I highly recommend this book if you like skateboarding and/or you're a lost youth

with crazy parents. Also check out the other books I have read skate and the one that came out after skate (the one with the kid that has gay father) and they are really good

A must read for many troubled young adults. This book relates well to issues (with solutions) that a number of our young people face today. Courage, empathy, and understanding are traits exemplified in the book.

This book had so much suspense, I liked the last part where they fought and I liked the competition part, I hope more people read this

really a fast paced book. Lots of action. The characters are really well thought out. Everything about this book is awesome
