Young Dancer'S Apprenticeship, A (Single Titles)

Synopsis

This is the inspiring true story of a young Canadian ballerina's elevation to soloist with the Moscow City Ballet. At the tender age of fourteen, talented dancer Olympia Dowd was plucked from the obscurity of a Vancouver ballet workshop and offered a life-altering opportunity: She was selected to dance with the Moscow City Ballet on its tour of Asia and Northern Europe. In her own words, Olympia describes the highs and lows of her remarkable experience, included the months of training in Russia and the rigors of touring with a professional ballet. Spectacular photographs of Olympia's unique odyssey--the behind-the-scenes grind, the rare moments of relaxation, and the hard-won public triumph--complement the story on every page. Here is a once-in-a-lifetime adventure seen through the eyes, emotions and words of an ordinary adolescent with an extraordinary talent.

Book Information

Series: Single Titles

Hardcover: 128 pages

Customer Reviews

This book was exceptionally well-written and very hard to put down - excellent photos too! I loved reading about Olympia's experiences dancing in Russia - I used this book as my travel guide and packing checklist to prepare for my own dancing adventure in Russia! Not only is this an entertaining book, but it is full of practical advice as well.

An excellent book with amazing photography of Olympia's journey. I would recommend this book for

anyone but particularly aspiring dancers. She's now my really fantastic ballet teacher in Canada so I especially enjoyed it.
