101 Best Sex Scenes Ever Written: An Erotic Romp Through Literature For Writers And Readers

Synopsis

Making the provocative purposeful, this analysis spotlights the most exciting--or potentially embarrassing--story element: the obligatory sex scene. This sensibly suggestive guide demonstrates how to advance plots and reveal truths about characters through their romantic tableaus. Each scene is accompanied by insight into its authors' intentions, how they accomplished them, and their thoughts on romance, love, and sex. The featured passages include men such as William Faulkner, Ernest Hemingway, and John Steinbeck and women from Margaret Mitchell to Toni Morrison and Danielle Steel.

Book Information

Series: 101 Best

Paperback: 163 pages

Publisher: Quill Driver Books (June 1, 2011)

Customer Reviews

When I was 13, I found a book with the title Skye O'Malley in my mom's closet. It had that standard "romance novel" cover with the muscular, long-haired man holding a woman in a classic Southern dress whose breasts were about to pop out over the top. Naturally, being curious as to what the book was about, I flipped through it. Every page I turned to was filled with sex. And more sex. When I asked my mom if I could read it, innocently enough I thought at the time, she said no and hid it. While she was at work, I found it. And read it. Well, at least, the good parts anyway ;) If the book actually had a plot, I was as oblivious to it as the author. 101 Best Sex Scenes Ever Written by Barnaby Conrad has sex on every page. But it's nothing like Skye O'Malley. Honestly, I was a little afraid it would be. But the word "best" caught my attention and, since the author has a few other

"101 Best..." books out, I thought that I would take the opportunity to read through it and see what he had in mind. In the introduction, Mr. Conrad lays out that this book isn't going to be filled with scenes to "titillate the reader." Each was selected because the scene "advance[s] the plot in some way or helped to characterize the protagonists of the story they came from." So what we actually have here are sex scenes that are intricate to the plot of the novel and not simply gratuitously placed on every other page. The scenes chosen for this book are taken from a wide reading of literature. From Madame Bovary and Lady Chatterly's Lover all the way to the scene from Deliverance (yes, THAT scene), the selections from the gamut of sex scenes in literature and are listed by topic in each chapter. Mr.
